OF A SERIES OF BUYERS' GUIDES
TO PRODUCTS AND SERVICES

Streaming Media's Sponsored Supplements have consistently generated thousands of leads annually for sponsors since 2004. With niche topics focusing on the very specific needs of our readers, *Streaming Media* creates this unique opportunity for sellers to engage with buyers in these limited, sponsored-contribution publications—now called **Solution Series**. The European magazine's Autumn 2019 Solution Series focuses on monetisation, DRM, and content protection.

Premium content requires protection. But how can you achieve this without compromising QoE/QoS, or creating unwanted barriers? How can you ensure that your chosen solutions work seamlessly on every platform, player, device, browser, server, and operating system? How can you integrate your content protection into your analytics and monetisation? This is the **Solution Series** that addresses these important questions, and ensures that you're using the right tools and the right companies to protect and monetise your content in the way that it deserves.

PRINT gives you status, pedigree, and profile.

ONLINE delivers engagement, qualified actionable leads, and thought leadership.
